Interface d'accueil du patient

A mockup of a mobile application interface for a doctor. At the top, there is a navigation bar with five tabs: "Accueil" (Home), "Agenda" (Calendar), "Patients" (Person icon), "Consultations" (Folder icon), and "Statistique" (Gauge icon). Below the navigation bar are three large, colored buttons arranged horizontally. The first button is purple and labeled "Agenda" with a calendar icon; it has a black "Aller" button with a right-pointing arrow below it. The second button is red and labeled "Ajouter patient" with a person icon; it also has a black "Aller" button with a right-pointing arrow below it. The third button is pink and labeled "Ouvrir dossier" with a plus sign icon; it has a black "Aller" button with a right-pointing arrow below it. The background of the interface is dark grey.
